

How to download and install the fusion 360 personal use license

Autodesk offers a 100% free Fusion 360 license to Students and Hobbyists. Students should use the Education license. Hobbyists, on the other hand, should be using the Personal Use license.

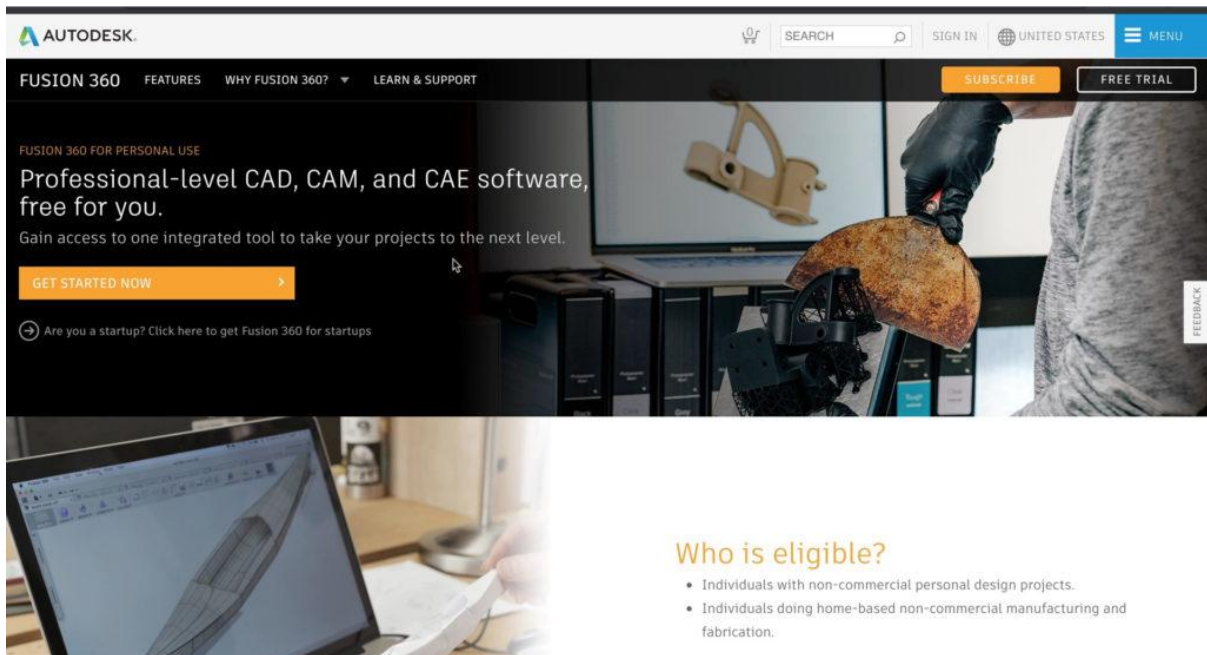

Be sure to read the license qualifications outlined below to ensure that you qualify for a free Personal Use license. You can also learn more about the other 3 license types Fusion 360 offers.

Sign Up for Personal Use License

The only way to sign up for the Fusion 360 for Personal Use License is to use the official Autodesk website. <https://www.autodesk.com/>

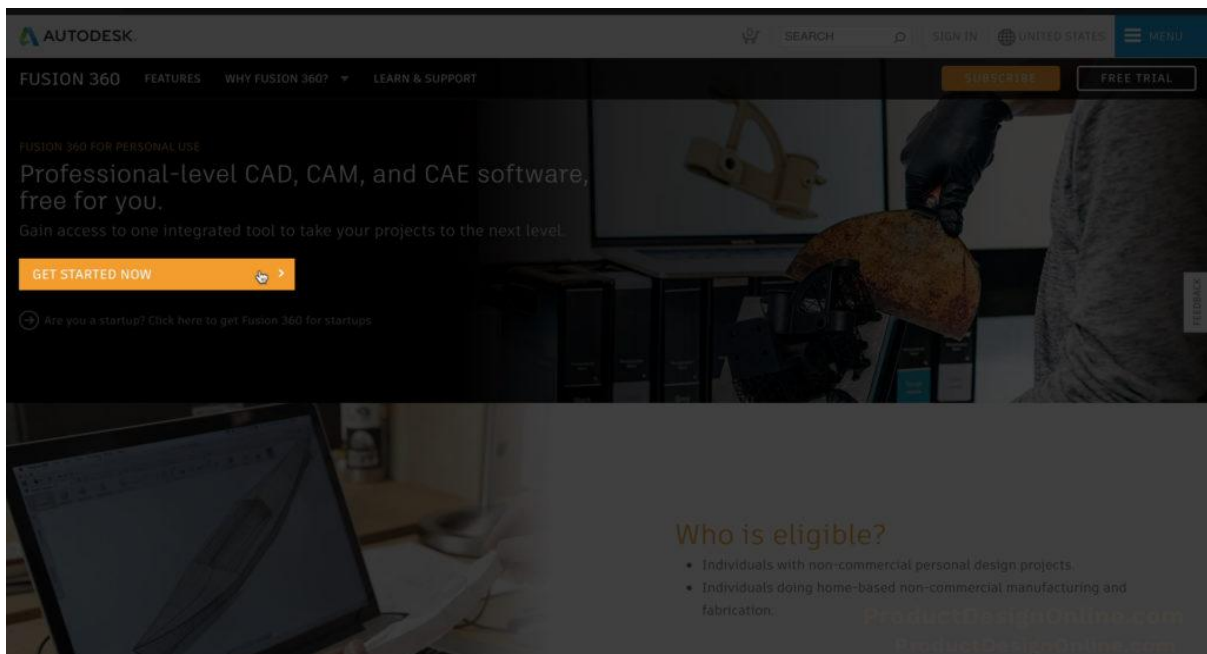

1. Personal Use Home Page

The first step to getting Fusion 360 for free personal use (Hobbyists, retired Engineers, Tinkerer, etc) is to go to the

2. Select Getting Started

Select the orange “Get Started Now” button.

3. Select Sign In

Select the orange “Sign In” button. This button is at the bottom of the page so you can simply scroll down if the previous button doesn’t take you here.

NEW TO AUTODESK? [CREATE ACCOUNT](#)

Fill out the standard account details. You will then need to select the checkbox to agree to the Autodesk Terms of Use and Privacy Statement. Once everything is filled out, select the blue “Create Account” button.

The screenshot shows the Autodesk 'Create account' form. At the top right is the Autodesk logo. The form fields are: 'First name' with the value 'Example', 'Last name' with the value 'Account', 'Email' with the value 'example@productdesignonline.com' and a blue checkmark, and 'Confirm email' with the same value and a blue checkmark. Below these is a 'Password' field with masked characters. A checkbox is checked, with the text 'I agree to the Autodesk Terms of Use and acknowledge the Privacy Statement.' Below the checkbox is a large blue button labeled 'CREATE ACCOUNT'. At the bottom, there is a link that says 'ALREADY HAVE AN ACCOUNT? SIGN IN'.

5. Get Started Link

You will then automatically be redirected back to the Personal Use page. You'll need to click the "Get Started" link.

Note: If you were already using the Startup (former Hobbyists) license, then the link will automatically assign your account to the new Personal Use subscription.

Download and install Fusion 360

Please click on 'Get Started' to activate a Fusion 360 for personal use subscription.

[Get started](#)

If you've already installed Fusion 360, sign out and log in within the application.

Note: It may take up to 30 minutes for your new subscription type to update. Please allow at least 30 minutes before signing in.

6. Automatic Download

The download of Fusion 360 should automatically start. If you already have Fusion 360 installed then you can cancel/delete the download – there is no need to reinstall it (unless you want to double-check that you have the latest version)!

Note: There may be up to a 30-minute delay before the new subscription is visible in your existing installation. I would recommend waiting for 30 minutes before attempting to sign in.
